

Volunteer Opportunity: Driver Flexible

Drivers play an essential part in the Project's feeding programme, keeping the food store well supplied with corn for the daily teatime feed.

The role:

- Drivers take turns to collect 20kg sacks of corn from Broomfield's at Holt Heath, 10-15 sacks at a time.
- Sacks are unloaded into the swan food store on Bromwich Parade.
- Drivers are given a week's notice that a delivery is needed and can choose a time to suit them, whilst avoiding the busiest times along the path.
- Frequency is once or twice a month.
