

Volunteer Opportunity: Swan Feeders Monday teatime

The swans are fed with mixed corn every afternoon, at the boathouse steps on Bromwich Parade. In mid-winter work starts at about 3.15, gradually moving towards 4.30 in summer.

The role:

- monitor the swans for problems
- litter pick the steps & clean the feeding area
- feed the swans
- tidy the food store

The whole process takes just over an hour.

Volunteers have an initial training period and are supported going forward.
